

## The first roadmap strategy plan for waldaa\_10\_20\_25(2025/2026)

We are going to build a strong share company for the new generation, we can establish a strategic plan based on our income growth rates and set financial income by collecting from each member of the sc.

### Strategic Plan for Share Company

#### 1. Executive Summary

**Objective:** To create a sustainable and high-growth share company that appeals to the new generation.

**Vision:** To be a leader in financial investing, providing value and accessibility to all investors.

#### 2. Financial Overview

Start point ideally from zero to strong and high competitive financial institute for future.

**Opening Balance:** ETB20, 000

#### Growth Projections plan:

NO	Progress	Growth Rate	Total Amount in <u>ETB</u>
1	ideally	—	—
2	1000	1	20000
3	20000	17.75	375000
4	375000	1	750000
5	750000	0.5	1125000
6	1125000	0.333	1500000

**Q1 Growth Rate:** ETB20, 000 at 17.75 =  $20,000 + 20000 * 17.75$  = 375,000

**Half-Year Growth Rate:** ETB 375,000 at 1 =  $375000 + 375000 * 1$  = 750000

**Q3 Growth Rate:** ETB 750,000 at 0.5 =  $750000 + 750000 * 0.5$  = 1125000

**Fiscal Year Growth Rate:** 1125,000 at 0.3333 =  $1125,000 + 1125,000 * 0.3333$  = 1499625 ≈ 1,500,000

#### 3. Growth Strategy

**Focus:**

**Investment in Marketing:** Allocate funds by participating in different marketing area.

**Half-Year Strategy:**

## Eenyuut eenyuu gadi nus ni hojjenna ni jijjiiramna ni jijjiiras.

**Partnerships:** Collaborate with other companies to enhance platform capabilities.

**Product Diversification:** Introduce new investment options and sustainable funds.

### **Q3 Initiatives:**

**Customer Feedback Loop:** Implement systems to gather feedback and improve services based on different financial institution experience.

**Community Engagement:** Host events (virtual and in-person) to build a community around investment any time because our door opens for any guys who have best idea about business.

### **Fiscal Year Goals:**

**Sustainability:** Analysis all step that we pass-through invest in continually for further growth.

### **4. Performance Metrics**

**Quarterly Reviews:** Assess growth against projected rates to adjust strategies as needed.

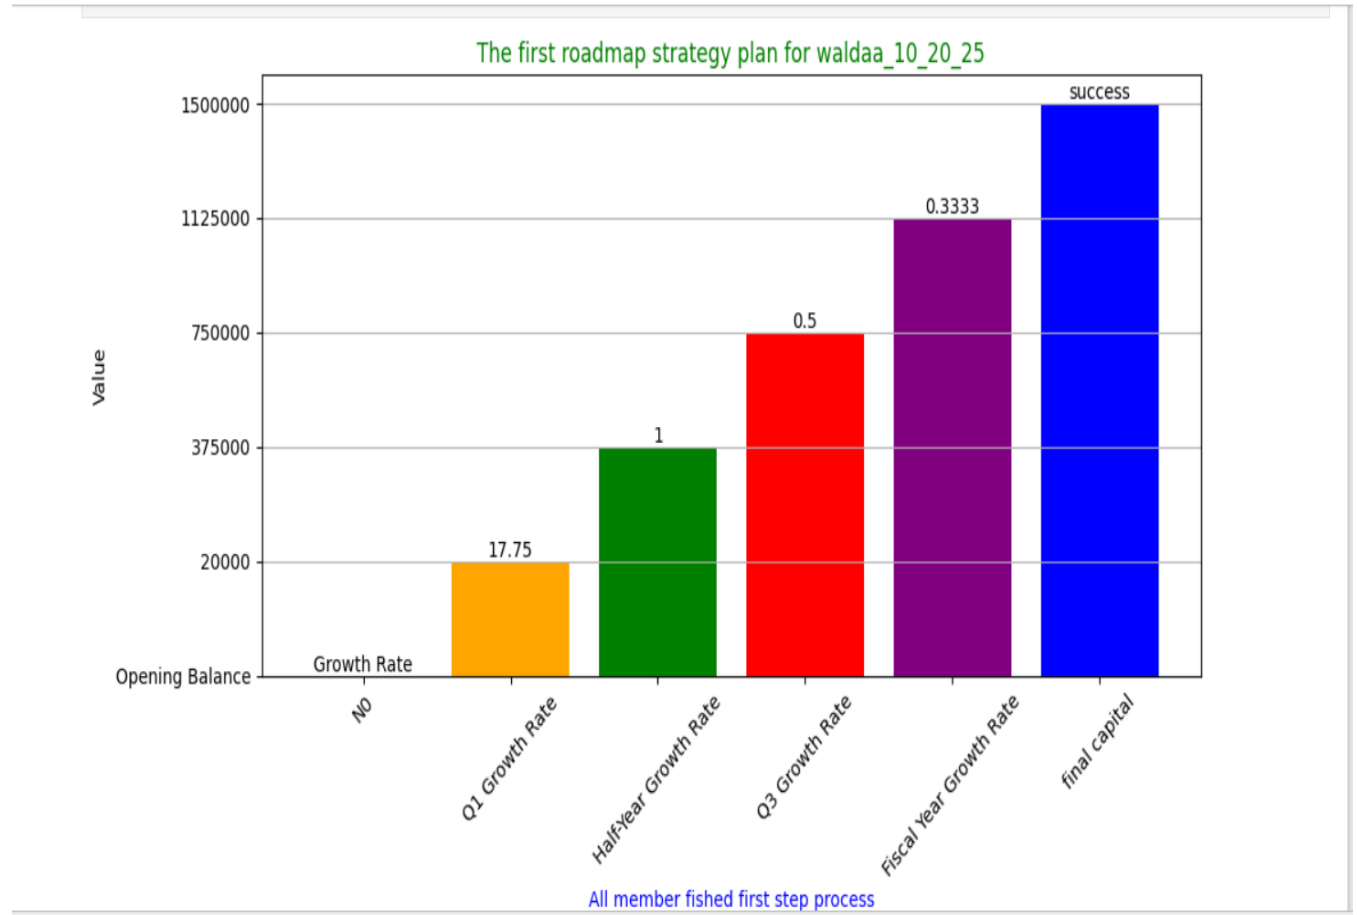

**User Growth Tracking:** Monitor the increase in active users and engagement levels.

### **5. Risk Management**

Identify potential market volatilities and have contingency plans in place.

Ensure compliance with financial regulations and maintain transparency.
